Edit

Accounts in the Chart of Accounts that are already in the list during WRS installation, cannot be edited or deleted.

You can only edit or delete newly inserted (added) accounts.

To Edit newly inserted accounts in the Chart of Accounts

- 1. Position the *highlight bar* to the account you want to edit;
- 2. From the section menu bar, *Chart of Accounts*, click *Edit*;
- 3. A dialog panel slides from the right side of the screen;
- 4. Make the necessary changes to the fields in the dialog panel;
- 5. When done, click *Ready to Save*;
- 6. Click Save Data.
