

Setup Help

To run the Setup Help

1. At the section menu bar, **Miscellaneous Setup**, click **Setup Help**;
2. You will be prompted to confirm the action, **Yes** to proceed and **No** to abort;
3. Clicking **Yes button**, displays the *progress bar* indicator;
4. When setup is complete, it will prompt you so.

The screenshot displays the WRS App System Up-keeping interface. The top navigation bar includes 'Database Backup', 'Restore Database', 'Miscellaneous Setup', and 'About Wrs'. The 'Miscellaneous Setup' dropdown menu is open, showing 'Setup Help'. A progress bar for 'Setting-up Help Files' is at 20%. A 'Wrs Alert' dialog box is open, asking 'You are about to set-up the help files! Proceed?' with 'Yes' and 'No' buttons. Annotations include 'Click Miscellaneous Setup' and 'Click Setup Help'.
