

## Dedication

*To my wife Sally, children Jon and Janine, and to my first grandson, 2-year old Nathan whom I suppose by the time he is 10 years old, this Wrs App that I have developed will already be obsolete. But for now, I am glad I have finished both the WRS App and this ebook, thanks to all of you for your inspiration. - 28 Oct. 2022*

*Ely Quijano .*
